

Shri Mataji  
Nirmala Devi  
Sahaja Yoga  
World Foundation

Jai Shri Mataji

Dear brothers and sisters, these are particular times...

While we step out of our routines, we experience new ways to meet virtually and meditate together. We hope and pray that this crisis carries in it the seed of change, of a step forward in global awareness.

In Cabella this year is very different from what was planned. We were not able to host the major international events in Cabella this summer. We miss the vibrating presence of the world collective! We hope to bring all of you here in Our Mother's Home from time to time virtually, to share and meditate together.

At the same time, we are using this period to work on our infrastructures such as rebuild the bathrooms, which are now almost ready with new tiles and natural plaster. When we are able to receive you all again, we will do so in a better-equipped and more comfortable fashion.

Cabella International Sahaja School closed in March and like many schools in the world, continued classes online. In September, based on the Government Decrees and guidelines we hope to be able to re-open the Cabella International School again.

For the castle, this is a year of major renovations. We finally moved the office of the World Foundation to the first floor, where the paintings on the ceilings have been carefully restored.

The staircase outside was totally rebuild and now is ready to be covered with nice stones.

The new Meditation Room has doubled the space to host yogis to meditate keeping social distance.

We would like to thank countries for their initiative to donate a sum similar to the expense of organizing an international Puja, and for inviting each of their Sahaja yoga families to contribute 108 Euro to the Cabella projects.

In this way, together, we can easily reach our goal of 300.000 euro. From May to the end of July, thank to your generosity, we received so far € 140.000.

Perhaps making a steady yearly contribution, rather than a one-time donation would be more desirable.

The activities are many and your support will help maintaining and preparing Cabella, Mother's home, to welcome you very soon and experience the joy of the world collective again.

We offer at Our Holy Mother's Lotus Feet our desire to continue developing Cabella as a place of pilgrimage, a place that vibrates with the Culture of the Spirit, and where yogis and seekers from all over the world may come home to meditate and to worship Her.

Donations can be made on the following link:
