

Caring for Mother's Legacy, together

WORLD FOUNDATION | NIPC

Dear Sahaj Family,

Since we have not been able to gather in person as a collective Sangha this year, young Sahaja yogis and yuvashakti from around the world have come together to bring awareness to these global Sahaj projects - and offer a simple way to help them thrive.

Palazzo doria

Have you ever...

done the great pilgrimage, walking up the steep hill to Shri Mataji's Castle in Cabella? If so, it is worth noting that the World Foundation is responsible for the continued existence of the Castle itself, Cabella

School, all Pujas in Cabella, the hangar, Daglio - and more.

Remember the last...

speech of Shri Mataji you listened to? The one where Shri Mataji seemed to read your very heart and speak directly to everything that you had been asking yourself? It is actually the work of the NIPC which gives you the chance to hear that speech!

The World Foundation and NIPC...

are both working to preserve and promote Shri Mataji's vision and

legacy - and both are urgently in need of the support of all yogis!

How can I help ?

Open heart donations are the quickest way to give our support! Shri Mataji's vision can only blossom if we support Her legacy on earth, together!
