Shri Adi Guru Puja and Sahaja Marriages Announcement 23 - 24 - 25 July, 2021

Dearest Sahaja Family,

This year marks the Thirtieth Anniversary since the first Puja in Cabella. It was July 28, 1991, when our Beloved Divine Mother and Sat Guru granted the blessing of allowing us to offer Her a Guru Puja.

After 30 years we still have the blessing of being able to bow in worship at the Lotus Feet of the Divine Guru here in Cabella Ligure. Of course, those able to attend will have to respect some rules, but these restrictions are small inconveniences compared to the joy of finally having the possibility of meeting each other and together offering our Bakti and our Shradha as disciples of the Divine Guru.

Caring for Mother's Legacy, together

A quick update from the communication team for the "Caring for Mother's Legacy Together" project.

We want to send a huge thank you to all of the yogis who have either set up monthly 25 euro donations or sent single sums to the World Foundation so far! With your help, we are on our way to achieving the goal of sustainably funding the organisation into the future.

We are working to create additional content to help the collective connect with and understand the work of the Foundation and NIPC and will have an update for you very soon!

There is still a long way to go but each step forward is very important. To set up your recurring donation please go to legacy.shrimatajifoundation.org! If 1600 yogis can set up a monthly recurring donation of 25 euros, all of the heritage Mother left to Sahaja Yoga in the Cabella Valley can be sustained and maintained long into the future!

Compliance with the health rules

Guru Puja approaches, for those who can come, as we all know by now, in addition to the mandatory pre-registration, we will have to present to Check-In one of these three health elements:

- a. Proof of vaccination,
- b. negative swab (no older than 48 hours if of the "rapid" type and no older than 72 hours if of the "molecular" type) or
- c. have tested positive for Covid in the last six months (in practice have the so-called Green pass or, if you do not have it, follow the same criteria dgc.gov.it/web)

We remind you that, as for the previous Puja, there will be an independent security service entrusted to check the relevant documents.

For those who want to do the "swab" in Cabella: IT CANNOT BE DONE BY THE ORGANIZATION, you have to organise yourself.

It is a requirement for everyone, from 6 years of age.

Below are the telephone numbers of some pharmacies in the area where you can book the rapid test:

- Pharmacy of Albera Ligure: 13, Via Roma - 15060 Albera Ligure (AL), tel: 0143 90185

- Pharmacy of Borghetto Borbera: Via Roma 155, 15060 Borghetto di Borbera (AL) Tel: 0143 69114.

There are also numerous laboratories by typing on google "quick swab Novi Ligure" or "Arquata Scrivia" or "Serravalle Scrivia"

WE REMIND YOU THAT PRE-REGISTRATION AND COMPLIANCE WITH HEALTH RULES ARE NECESSARY IF YOU PARTICIPATE IN ANY ONE OF THE THREE DAYS OF CELEBRATION OF THE PUJA.

Thank you for your understanding. See you soon

Shri Adi Shakti Puja 2021 recap

Shri Mataji amidst a dazzling array of bouquets prepared for the Adi Shakti Puja

After a prolonged wait, the Borbera Valley was once again bubbling with the joyous anticipation of welcoming the waves of yogis streaming in from around Europe and beyond to join in worship at the sacred Feet of our benevolent, universal, and compassionate Mother, the Adi Shakti.

The blossoming of linden groves along the road in the valley had just reached their peak, exuding the characteristically sweet fragrance that lingers around the Piazza Della Vittoria in Cabella Ligure. To complement this bright scent, groups of colourfully dressed yogis cheerfully zigzagged their way through the narrow alleyways and streets of the village. There was work to do. There were punyas to be acquired. La Grande Madre was calling.
