

Shri Mataji  
Nirmala Devi  
Sahaja Yoga  
World Foundation

The World Foundation is intending to support the School in Cabella with different initiatives.

We are going to buy land for further expansion at Cantalupo, where we will build the new School building.

We are also trying to increase the footprint expansion at Casaforme, with dedicated fundraising appeals and growth plans, the work of which will last over the next few years.

## **Urgent Appeal for Funds!**

Esteemed Members of the Sahaja Yoga World Sangha  
Jai Shri Mataji and Greetings from Cabella!

It is with loving devotion to our Divine Mother and with great faith in the power of our collective desire and action that we would like to alert your

pure attention to a unique opportunity that the Paramchaitanya has presented to the Cabella International Sahaja School (CISS).

Many of you know the location of the current school building, Casa Forme, which Shri Mataji Herself had chosen and bought in 2009. You may be aware that the land use for the children is very limited, that the access road to the school building goes via a neighbour's property and that this neighbour is a constant source of trouble and aggression.

**It so happens that now – due to legal/financial problems of the owner - this building and the adjoining land are going to be publicly auctioned on June 15th.**

After evaluations and discussions with stakeholders of the CISS and the SMND World Foundation, it is commonly felt that this is a golden opportunity, which must not be missed and that the purchase of this property and in particular the adjoining land would be a long-desired solution to many restrictions that the school has been facing.

The World Foundation has already committed itself to build a new and larger school on soon to be fully acquired land near Cantalupo. This would

be an extension of CISS. Hence, funds are now very limited. In order to purchase the property and land adjacent to Casa Forme, a collaborative approach has presented itself, whereby the upper two floors would be bought privately by a Sahaja Yogi family, while the WF would take over the rest of the building and all attached land. The acquisition of the land is a mandatory step to acquiring full boarding school recognition for CISS.

This solution would finally provide our children with a sufficient playground area and increased boarding space and the access road issue would also be resolved.

All CISS staff and the children are aware of this golden opportunity and they would be overjoyed if it all worked out in our favour.

Dearest brothers and sisters, we feel that this is one of these moments, where we can prove to Shri Mataji and to ourselves, that nothing can withstand our joint commitment to our children and their Sahaja education.

Therefore - On behalf of all present and future children here at the Cabella International Sahaja School - we heartily ask for your urgent support and for your generous contributions and donations.

**THE TARGET FOR APPEAL IS EUROS 200,000**

**Any surplus funds will be reserved for CISS**

Please use the link below to see options of how to make your donations:  
It is very important to use the reference “**Urgent appeal Cabella School**”.

Though time is short, we know that we can achieve it, when we work together, united in desire and action.

With sincere gratitude and appreciation,  
Directors of the Board of the Shri Mataji Nirmala Devi World Foundation
