In the "E - Accruals and deferrals" class, shown in the "liability" section of the balance sheet, are registered the costs pertaining to the year and payable in subsequent years and income received by the end of the year, but pertaining to subsequent years. In this class has been entered only part of the costs and income common to two or more years, the extent of which varies over time.

Income is classified in the most appropriate item of the management report, based on the type of activity performed.

Costs and charges are classified in the management report by nature, according to the activity to which they refer. In the case of costs common to two or more areas, their classification takes place on the basis of the ratio between the income of each of the areas to which they refer and the total income of these areas.

Any positive and negative income elements that do not fall under the other areas are classified under general support activities.

Tax charges are determined on the basis of the total taxable amount for the year, taking into account the actual tax regulations.

- the spirit of generosity (understood as an act of generosity carried out in the absence of any form of constraint).

The donations received are recorded at fair value on the acquisition date of the same, if it can be reliably estimated.

Tied donations are donations subject, by the will of the donor, an external third party or the administrative body of the Entity, to a series of restrictions and/or constraints that limit their use, temporarily or permanently.

Tied donations from third parties are recognized in the assets of the balance sheet as a balancing entry under the All Tied Equity item 3) "Reserves allocated by third parties". The reserve recorded against restricted donations from third parties is released as a balancing entry in the specific item of the management report, in proportion to the expiry of the restriction. In the event that the duration of the restriction is not defined, to estimate this proportion, reference was made to the expected use of the asset in the activity carried out by the Entity.

## **2) Osservazioni in ordine al bilancio d'esercizio**

Ho svolto la revisione contabile del bilancio d'esercizio della Fondazione Mondiale Shri Mataji Nirmala Devi Sahaja Yoga costituito dallo stato patrimoniale per cassa e per competenza al 31 dicembre 2024.

A mio giudizio, il bilancio d'esercizio fornisce una rappresentazione veritiera e corretta della situazione patrimoniale e finanziaria della Fondazione al 31 dicembre 2024, del risultato economico e dei flussi di cassa per l'esercizio chiuso a tale data in conformità alle norme italiane che ne disciplinano i criteri di redazione.

Ho svolto la revisione contabile in conformità ai principi di revisione internazionali (ISA Italia). Le mie responsabilità ai sensi di tali principi sono ulteriormente descritte nella sezione Responsabilità del revisore per la revisione contabile del bilancio d'esercizio della presente relazione. Sono indipendente rispetto alla Fondazione in conformità alle norme e ai principi in materia di etica e di indipendenza applicabili nell'ordinamento italiano alla revisione contabile del bilancio. Ritengo di aver acquisito elementi probativi sufficienti ed appropriati su cui basare il mio giudizio.

Gli amministratori sono responsabili per la redazione del bilancio d'esercizio che fornisca una rappresentazione veritiera e corretta in conformità alle norme italiane che ne disciplinano i criteri di redazione e, nei termini previsti dalla legge, per quella parte del controllo interno dagli stessi ritenuta necessaria per consentire la redazione di un bilancio che non contenga errori significativi dovuti a frodi o a comportamenti o eventi non intenzionali.

Gli amministratori sono responsabili per la valutazione della capacità della Fondazione di continuare ad operare come un'entità in funzionamento e, nella redazione del bilancio d'esercizio, per l'appropriatezza dell'utilizzo del presupposto della continuità, nonché per una adeguata informativa in materia. Gli amministratori utilizzano il presupposto della continuità nella redazione del bilancio d'esercizio a meno che abbiano valutato che sussistono le condizioni per la liquidazione o per l'interruzione dell'attività o non abbiano alternative realistiche a tali scelte.

I miei obiettivi sono l'acquisizione di una ragionevole sicurezza che il bilancio d'esercizio nel suo complesso non contenga errori significativi, dovuti a frodi o a comportamenti o eventi non intenzionali, e l'emissione di una relazione di revisione che includa il mio giudizio. Per ragionevole sicurezza si intende un livello elevato di sicurezza che, tuttavia, non fornisce la garanzia che una revisione contabile svolta in conformità ai principi di revisione internazionali (ISA Italia) individui sempre un errore significativo, qualora esistente. Gli errori possono derivare da frodi o da comportamenti o eventi non intenzionali e sono considerati significativi qualora ci si possa ragionevolmente attendere che essi, singolarmente o nel loro insieme, siano in grado di influenzare le decisioni economiche prese dagli utilizzatori sulla base del bilancio d'esercizio.

Nell'ambito della revisione contabile svolta in conformità ai principi di revisione internazionali (ISA Italia), ho esercitato il giudizio professionale e ho mantenuto lo scetticismo professionale per tutta la durata della revisione contabile.

Ho comunicato ai responsabili delle attività di governance, identificati ad un livello appropriato come richiesto dagli ISA Italia, tra gli altri aspetti, la portata e la tempistica pianificate per la revisione contabile e i risultati significativi emersi, incluse le eventuali carenze significative nel controllo interno identificate nel corso della revisione contabile.

L'organo di controllo ha svolto anche sul bilancio le attività di vigilanza previste Norma 3.8. delle *"Norme di comportamento dell'organo di controllo degli enti del Terzo settore"* consistenti in un controllo sintetico complessivo volto a verificare che il bilancio sia stato correttamente redatto. Ho inoltre verificato la rispondenza del bilancio e della relazione di missione ai fatti e alle informazioni di rilievo di cui l'organo di controllo era a conoscenza a seguito della partecipazione alle riunioni degli organi sociali, dell'esercizio dei suoi doveri di vigilanza, dei suoi compiti di monitoraggio e dei suoi poteri di ispezione e controllo.

L'Organo di controllo ha verificato che gli schemi di bilancio fossero conformi a quanto disposto dal D.M. 5 marzo 2020 del Ministero del Lavoro e delle Politiche Sociali, così come integrato dall'OIC 35 (anche in relazione al primo esercizio di adozione delle suddette disposizioni).

Per quanto a mia conoscenza, gli amministratori, nella redazione del bilancio, non hanno derogato alle norme di legge ai sensi dell'art. 2423, co. 5, c.c.<sup>1</sup>.

### 3) Osservazioni e proposte in ordine alla approvazione del bilancio

Considerando le risultanze dell'attività da noi svolta, invitiamo gli associati (o i fondatori della fondazione) ad approvare il bilancio d'esercizio chiuso al 31 dicembre 2024, così come redatto dagli amministratori.

L'organo di controllo concorda con la proposta di destinazione dell'avanzo, con indicazione degli eventuali vincoli attribuiti all'utilizzo parziale o integrale dello stesso, o di copertura del disavanzo formulata dall'organo di amministrazione.
